Home Instead Senior Care, Metro United Way, and Finchville Baptist Church

What?

Every year, Home Instead Senior Care offices around the world facilitate the BE A SANTA TO A SENIOR PROGRAM this year. We are partnering with outside agencies to develop a list of seniors and what they want for Christmas. Most of these seniors have low income, and little to no family support. Our goal is to make sure they feel loved and appreciated this holiday season!

When? Need Names by 12-1-18

Gifts to drop off to drop at:

- _Awake Ministries
- _Bourbon Kitchen at 524 Main
- _Simpsonville Christian

by 12-15-18 and will be delivered starting 12-19-18

If you are interested in becoming a sponsor or know a senior please contact Tammy Swigert at 502-643-6785, tammyswigert@ymail.com. She will be the facilitator for this area and will send you what your Senior is needing this Christmas, as well as pick up the gifts before the deadline.

Why? Because we care about our seniors and they matter!
